What is Sponsor a Pet?

The Petfinder Foundation's **Sponsor a Pet** program lets us fundraise through Petfinder! Each adoptable pet listing on Petfinder automatically includes a "Sponsor" button. When a visitor to Petfinder clicks the Sponsor button on one of our adoptable pets, they can donate to our organization to sponsor that pet or help other pets in our care.

Every time one of our pets is sponsored, we receive an email notification from the Petfinder Foundation. It will include the name of the pet sponsored, the amount, the donor's name and email address.

The donation is to the Petfinder Foundation so the Petfinder Foundation will email the donor a receipt for their tax records. The Petfinder Foundation deducts 10% from each donation to help cover the costs of administering the program and the rest of the donation is sent directly to us (in USD) on a quarterly basis.
